# **A GLIMPSE OF MORAN MAHILA MAHAVIDYALAYA**

## **INTRODUCTION**

Moran Mahila Mahavidyalaya was established on July 8, 1992, with a noble purpose to cater to the educational aspirations of the region's socially disadvantaged female population. This premier institute of higher education is the outcome of the pioneering efforts of 'Ratnagarbha' Dr. SukhaBaruah (Founder Principal). Nestled in the predominantly rural enclave of Moran in the historic Charaideo district, the erstwhile capital of the illustrious Ahom Kingdom, the institution has stood as an enduring beacon of enlightenment and empowerment since its inception. The college is dedicated to the upliftment of higher education for young women from the surrounding ethnic and linguistic backgrounds, as well as from every nook and cranny of the region and nearby districts and states.

The college holds affiliation with Dibrugarh University and garnered recognition under sections 2(f) and 12(B) of the UGC Act on January 29, 1999, and February 4, 2010, respectively. On January 1, 2013, the institution was provincialized by the Government of Assam under the Provincialisation of Services Act, 2011, securing sustainable support and integration into the state's educational framework. Underscoring its steadfast dedication to high standards of education and social values, the college achieved NAAC 'B' accreditation (CGPA 2.34) in 2021. This accreditation not only affirms the quality of instruction but also the holistic development provided by the college.

### **Academic Aspect**

Moran Mahila Mahavidyalaya is dedicated to providing quality higher education to female students through its diverse and robust teaching departments. At present, the college offers a range of Honours programs in disciplines such as Assamese, English, Economics, Education, History, Political Science, and Sociology. Additionally, the college is going to open Geography Honours very shortly. Besides, Community Science is available as a non-Honours subject at the degree level. The college provides academic flexibility to students by offering various Skill Enhancement Courses (Add-on Courses) which include Yoga, Computer (DTP), Beautician, Clothing construction (Knitting, Cutting, and Embroidery), Gymnasium (Weight Lifting/Powerlifting), Communicative English etc. The institution has also embarked on various educational initiatives under the aegis of Krishna Kanta Handique State Open University (KKHSOU), thereby broadening its academic offerings and reinforcing its commitment to comprehensive vis-a-vis inclusive education.

### **Vision Statement**

Moran Mahila Mahavidyalaya envisages the advancement and strengthening of women's education within the backward and rural demographics of neighbouring villages, tea estates, and the broader region. The institution is steadfastly committed to advancing female education, instilling high values through a comprehensive liberal education, and cultivating responsible citizens endowed with a broad perspective on life and a deep sense of social responsibility. The college aspires to nurture graduates who are not only academically proficient but also equipped with the requisite skills and confidence to make meaningful contributions to society and the global community. By fostering an academic environment that champions innovation, ethical conduct, and leadership qualities, the college endeavors to transform young women from diverse backgrounds into empowered individuals capable of making significant contributions to their families, communities, and the nation at large.

### **Our Future Creative Vision**

In our relentless pursuit of enhancing the vibrancy and dynamism of our institution, we have delineated the following future undertakings:

\* **Implementation of Vocational Skill-Based Courses:** In alignment with the National Education Policy 2020, we are committed to introducing a range of vocational skill-based courses to make our young women students self dependent. In line of this commitment, the college is planning to start off a skill centre at its newly acquired plot of land at Moran Mout Gaon by obtaining grants from funding agencies. The Department of Community Science has already spearheaded this initiative with the introduction of a course on Applied Art and Craft.

\* **Entrepreneurship Development:** The primary objectives of these skilled based courses are to enhance the entrepreneurial skills of our students, equipping them with the necessary competencies to thrive in a competitive and evolving marketplace.

**Introduction of new discipline:** Keeping in view the goals of National Education Policy 2020, the college is taking initiative to introduce new subjects of diverse disciplines. Accordingly, from the Academic Year 2025, we shall introduce Geography Honours and also adopt proactive steps to initiate science disciplines to broaden our academic spectrum and to foster a more comprehensive educational environment.

Through these innovative and forward-thinking initiatives, we aspire to cultivate an academic milieu that not only meets the educational needs of our students but also empowers them to achieve their fullest potential.
